

Liba 410: Med Tech: Urinalysis

College of Liberal Arts

This course involves various methods of macroscopic, microscopic, and chemical analysis of the urine and body fluids as well as the pathological conditions that might cause abnormalities. This course is taught at the North Mississippi Medical Center in Tupelo, MS, as part of the 3+1 Medical Laboratory Science program. It will not count toward a different major or minor in the College of Liberal Arts.

1 Credit
