

Phcy 501: Infectious Diseases Intensive

School of Pharmacy

This course is designed to provide students an introduction to integrated infectious diseases topics, focusing on clinical application and principles of antimicrobial selection. The course will provide a brief introduction that will build on concepts learned during the first professional year, and that will subsequently be expanded in the systems-based therapeutic modules.

1 Credit

Prerequisites

- Pre-requisite: Pharmacy PY2

Instruction Type(s)

- Lecture: Lecture for Phcy 501
