

Minor - Aerospace Studies

• [Minor - Aerospace Studies](#)

Minor - Aerospace Studies Description

A minor in aerospace studies offers familiarity with all aspects of U.S. air and space power. The minor comprehensively covers Air Force history, the evolution of air and space power application, national security affairs and the security process, and advanced leadership principles.

Course Requirements

A minor in aerospace studies consists of a minimum of 16 semester hours composed of AS 101, 102, 201, 202, 301, 302, 401, and 402. Leadership Laboratory courses (AS 111, 112, 211, 212, 311, 312, 411, 412) do not count as credit toward a minor in aerospace studies.
