

# Ch E 431: ChE Mass and Energy Balance Lab

Hands-on examination of principles of material and energy balances and thermodynamics.

1 Credit

#### **Prerequisites**

• Engr 322: Transport Phenomena (Minimum grade: C-)

## One-way corequisites

• Ch E 421: Chemical Engineering Thermodynamics

# Instruction Type(s) • Lecture: Lecture for Ch E 431

### Subject Areas

• Chemical Engineering

### **Related Areas**

• Chemical and Biomolecular Engineering
