

G St 353: Gender and Sexuality in the Media

[Sarah Isom Ctr for Women&Gender Studies](#)

This course teaches students to examine and analyze how representations of gender and sexuality have or have not changed over time. This exploration will include theoretical readings and analysis of television, film, music & music videos, broadcast and print journalism, magazines, advertising, social media, comic books, graphic novels, anime, user-generated online content, and online gaming.

3 Credits
