

# Manf 250: Graphics/Solid Modeling School of Engineering

Computer-based sketching and modeling, interpretation of drawings, and an introduction to the theory and utilization of modern CAD/CAM/CAE systems.

1 Credit

#### **Prerequisites**

• Students must be enrolled Center of Manufacturing Excellence (CME)

#### **Instruction Type(s)**

• Lecture: Lecture for Manf 250

## Course Fee(s) Mechanical Engineering

• \$50.00

### Subject Areas

• Mechanical Engineering
