

## Csci 211: Computer Science III

### [Computer & Information Science](#)

Continuation of Csci 112 with emphasis on advanced data structures, algorithm design analysis, advanced programming techniques, and user interfaces.

3 Credits

### Prerequisites

- [Csci 112: Computer Science II](#) (Minimum grade: C-)

### Cross-listed Courses

- [CIS 211: Computer Science III](#)

### Instruction Type(s)

- Lecture/Lab: Lecture/Lab for Csci 211

### Course Fee(s)

#### Computer & Information Science

- \$75.00

### Subject Areas

- [Computer Science](#)
