

# Bisc 100: Research Experience

High school or community college students participate in a research experience with the mentorship of a biology faculty member. Students will learn how the scientific method is applied in a research setting, develop practical communication and scientific writing skills, and engage in STEM career discussions. Course may not be counted towards a major or minor in biological science. This course may be repeated for credit with a maximum of 6 credits. Z-graded.

1 - 3 Credits
