

B.A. in Interdisciplinary Studies

Overview

Degree Requirements

Description

The B.A. in interdisciplinary studies is a multidisciplinary degree program that allows students to select three minors, two of which must be within the College of Liberal Arts. Students create a flexible degree program that may fit academic or career interests more precisely than a traditional B.A. degree. In particular, students who anticipate graduate or professional study in an area that does not require a specific undergraduate specialty (business, law, or medicine, for example) may find this program especially well-suited to their needs and interests.

Minimum Total Credit Hours: 120

General Education Requirements

See the 'General Education/Core Curriculum' for the College of Liberal Arts.

Course Requirements

A B.A. in interdisciplinary studies consists of three minors. Two of the selected minors must be from departments and programs within the College of Liberal Arts. Students must complete Spch 102 and at least 12 hours at the 300-level or higher in each of the selected minors.
