

Edec 312: Action Lab ECE Child Guidance/Classroom

Teacher Education

This course is required in conjunction with the undergraduate course Edsp 327: Classroom Management & Behavioral Intervention. In this course, students will be placed in a community child care facility or preschool in order to apply practices and gain experience and understanding of guidance in an early childhood room. Students will be required to make careful observations, work with children and a classroom teacher, participate in care, and reflect on guidance philosophies, practices, and experiences.
