

# Csci 311: Models of Computation

## Computer & Information Science

Introduction to the theoretical foundations of computer science, including automata and formal languages.

3 Credits

### Prerequisites

- [Csci 112: Computer Science II](#) (Minimum grade: C-)
- Pre-Requisite: 24 Earned Hours

### One-way corequisites

- [Math 301: Discrete Mathematics](#)

### Instruction Type(s)

- Lecture: Lecture for Csci 311
- Lecture: Hybrid Lecture for Csci 311

### Subject Areas

- [Computer Science](#)
