

Liba 303: Health Professions Application Process

College of Liberal Arts

This course is designed for students who are planning to apply this upcoming cycle to health professional school. Students will learn about the Centralized Application Service including its various sections, draft components of their experiences section and personal statement, prepare for the interview process, plan a timeline for taking the MCAT or standardized examination and submitting the application, and assess their application with a critical eye.

Z-graded.

1 Credit
