

# Phys 732: Quantum Field Theory II

## Physics & Astronomy

Continuation of Quantum Field Theory I.

3 Credits

### Prerequisites

- [Phys 731: Quantum Field Theory I](#)

### Instruction Type(s)

- Lecture: Lecture for Phys 732

### Subject Areas

- [Elementary Particle Physics](#)

### Related Areas

- [Acoustics](#)
- [Atomic/Molecular Physics](#)
- [Condensed Matter and Materials Physics](#)
- [Nuclear Physics](#)
- [Optics/Optical Sciences](#)
- [Physics, General](#)
- [Physics, Other](#)
- [Theoretical and Mathematical Physics](#)
