

Bisc 150: Principles of Biological Science

Biology

This survey course introduces basic principles of the molecules of life, cells, energy and energetic pathways, genetics, and evolution. It may not be used for credit towards the biology major or minor. It will not count for credit if Bisc 160 is counted. Applies to the science requirement of the core curriculum. Students will be enrolled by the Department of Biology after the 10th day of class in Bisc 160 with permission of the student.

3 Credits

Instruction Type(s)

- Lecture: Lecture for Bisc 150

Subject Areas

- [Biology/Biological Sciences, General](#)

Related Areas

- [Biomedical Sciences, General](#)
