

B.B.A. in Economics

Description

Curricula of the School of Business Administration are designed both for those who plan to operate their own businesses and for those who plan to occupy responsible positions in business organizations. The study of economics provides a foundation for many positions in business and government. These positions include research analysts, statisticians, and economists.

Minimum Total Credit Hours: 120

General Education Requirements

The general education requirements for the B.B.A. include first-year composition (6); humanities (3); fine arts (3); humanities or fine arts (3); mathematics (6); lab science (6-8); social science (6).

For a detailed description of each category and course classifications, please refer to the [General Education Core Curriculum](#)
