

B.B.A. in Finance

Description

Curricula of the School of Business Administration are designed both for those who plan to operate their own businesses and for those who plan to occupy responsible positions in business organizations. The finance curriculum provides students with exposure to financial institutions, corporate financial decision making, and investment markets. Students develop a sufficient background in finance for employment in the public or private sector. A variety of courses are available for students to develop knowledge and skills in investments and corporate finance.

Minimum Total Credit Hours: 120

General Education Requirements

The general education requirements for the B.B.A. include first-year composition (6); humanities (3); fine arts (3); humanities or fine arts (3); mathematics (6); lab science (6-8); social science (6).
