

Prct 476: Wellbeing & Resiliency for Student Pharm **Pharmacy Practice**

Health is defined as an optimal state of physical, emotional, mental, social, and spiritual well-being. The focus of this course is cultivating each participant's sense of well-being and resiliency. Student pharmacists will explore what gives their lives meaning and how one's sense of meaning is related to being resilient. Principles and strategies will be discussed that can lead to healthy habits to improve mind, body, and spirit.

2 Credits
