Other Academic Requirements

In addition to course work, students must complete a thesis or recital and must pass a final written comprehensive examination and thesis defense.

I. Thesis

- A student must be in full standing to enroll in Mus 697 (Thesis).
- For information concerning format, procedures, and specifications of thesis, consult the Graduate Student's Handbook and A Manual of Theses, Doctoral Essays and Dissertations (available at the Graduate School).
- Students must be enrolled for at least 3 hours during the semester in which they intend to graduate.
- A thesis committee is formed by the major professor in consultation with the student and appointed by the department chair. The committee shall consist of the major professor, another representative of the student's emphasis, and any other member of the graduate music faculty.

II. Comprehensive Examination

- Early in the semester in which the student intends to graduate, the major professor, in consultation with the student, shall formulate a committee of graduate music faculty members to administer the oral comprehensive examination.
- The thesis must be presented to all members of the committee in its completed form at least two weeks prior to the thesis defense.
