

Csci 211: Computer Science III Computer & Information Science

Continuation of Csci 112 with emphasis on advanced data structures, algorithm design analysis, advanced programming techniques, and user interfaces. 3 Credits

Prerequisites

- Engineering students only.
- Prerequisite: Csci 112 (minimum C-) or CIS 112 (minimum C-) or Csci 113 (minimum B-) or CIS 113 (minimum B-)

Cross-listed Courses

• CIS 211: Computer Science III

Instruction Type(s)

• Lecture/Lab: Lecture/Lab for Csci 211

Subject Areas

• Computer Science
