

## **Csci 211: Computer Science III**

### **Computer & Information Science**

Continuation of Csci 112 with emphasis on advanced data structures, algorithm design analysis, advanced programming techniques, and user interfaces.

3 Credits

#### **Prerequisites**

- Engineering students only.
- Prerequisite: Csci 112 (minimum C-) or CIS 112 (minimum C-) or Csci 113 (minimum B-) or CIS 113 (minimum B-)

#### **Cross-listed Courses**

- [CIS 211: Computer Science III](#)

#### **Instruction Type(s)**

- Lecture/Lab: Lecture/Lab for Csci 211

#### **Subject Areas**

- [Computer Science](#)
