

Csci 405: Computer Simulation Computer & Information Science

Introduction to computer-based simulation and its applications to engineering, the sciences, and management.

3 Credits

Prerequisites

• Math 262: Unified Calculus & Analytic Geometry II

Pre-Requisite: 24 Earned HoursPrerequisite: Csci 211 OR CIS 211

Instruction Type(s)

• Lecture: Lecture for Csci 405

Subject Areas

Computer Science
