

## M E 419: Energy and Fluids Laboratory Mechanical Engineering

Laboratory experiments demonstrating fundamental laws and use of scientific instruments in thermodynamics, heat transfer, and fluid flow.

1 Credit

## **Prerequisites**

- Engr 321: Thermodynamics
- Engr 323: Fluid Mechanics
- Pre-Requisite: 24 Earned Hours

## Instruction Type(s)

• Lab: Laboratory for M E 419

## **Subject Areas**

• Mechanical Engineering
