

Edsp 628: Trans. Educ. Srvcs. for Individ. w/Disab.

Teacher Education

This course provides a background on transition education and services for individuals with disabilities from childhood through adulthood. Focuses on collaborative services in schools and communities to promote quality transition services, and issues and trends in transition education and services. Emphasis is placed on IDEA requirements for transition services: promoting postsecondary education, vocational training, integrated employment, continuing and adult education, adult services, or community participation
