

# CIS 211: Computer Science III Computer & Information Science

Continuation of Csci 112 with emphasis on advanced data structures, algorithm design analysis, advanced programming techniques, and user interfaces. 3 Credits

#### **Prerequisites**

• Prerequisite: Csci 112 (minimum C-) or CIS 112 (minimum C-) or Csci 113 (minimum B-) or CIS 113 (minimum B-)

#### **Cross-listed Courses**

• Csci 211: Computer Science III

## Course Fee(s) Computer Science 5

• \$75.00

### **Subject Areas**

• Computer Science
