

Phys 221: Lab Physics for Science & Engineering I Physics & Astronomy

Laboratory experiments coordinated with lecture topics in Phys 211.

1 Credit

Corequisites

• Phys 211: Physics for Science & Engineering I

Instruction Type(s)

• Lab: Laboratory for Phys 221

Course Fee(s) Astronomy and Physics

• \$195.00

Astronomy and Physics 1

• \$225.00

Subject Areas

• Physics, General

Related Areas

- Acoustics
- <u>Atomic/Molecular Physics</u>
- <u>Condensed Matter and Materials Physics</u>
- Elementary Particle Physics
- <u>Nuclear Physics</u>
- Optics/Optical Sciences
- Physics, Other
- Theoretical and Mathematical Physics
