Csci 211: Computer Science III

Computer & Information Science

Continuation of Csci 112 with emphasis on advanced data structures, algorithm design analysis, advanced programming techniques, and user interfaces.
3 Credits

Prerequisites

- Engineering students only.
- Prerequisite: Csci 112 (minimum C-) or CIS 112 (minimum C-) or Csci 113 (minimum B-) or CIS 113 (minimum B-)

Cross-listed Courses

- CIS 211: Computer Science III

Instruction Type(s)

- Lecture/Lab: Lecture/Lab for Csci 211

Subject Areas

- Computer Science
