

# LL.M. in Air and Space Law

## Description

The University of Mississippi School of Law is a world leader in air and space law education, research, and public service.

This LL.M. degree program is designed for both U.S. and foreign-trained law school graduates interested in a rigorous legal curriculum in U.S., international, and comparative air and space law. It is the first and only LL.M. program in the U.S. offering a combined air and space law postgraduate law degree at an ABA accredited law school.

### LL.M. Program Advantages

Unique emphasis in U.S. air and space law. Extensive air law expertise and over 45 years in space law. On-campus or online, full-time or part-time.

Participate, if qualified, in the Journal of Space Law. Comprehensive air and space law collection. Access to University of Mississippi Space Law Archives.

American Bar Association accredited law school.
