Overview

The Department of Psychology offers a minor and the Bachelor of Arts (B.A.) in psychology. Graduate-level programs are the Master of Arts (M.A.) and Doctor of Philosophy (Ph.D.) in psychology. The Ph.D. in psychology has emphases in clinical and experimental psychology.

Accreditation

The American Psychological Association (APA) is the accrediting body for the doctoral program in clinical psychology, which is fully accredited. The APA does not accredit doctoral programs in experimental psychology.
