- [B.S. in Engineering](#)
- [Emphasis - Intelligent Security Studies](#)

B.S. in Engineering **Description**

The B.S. in engineering provides the student with a fundamental knowledge of engineering science and prepares graduates for a variety of careers in industry and government, or for advanced study in engineering, business, or professional school.

Minimum Total Credit Hours: 127

Goals/Mission Statement

Program Educational Objectives

Graduates from the program, within 3-5 years after graduation, will:

- Meet or exceed the expectations of employers of general engineers;
- Continue their professional development by pursuing advanced study, including licensure and certifications if they so desire; and
- Continue their professional development by pursuing leadership opportunities and other positions of service in their profession and/or communities.

Student Outcomes

BSE students at the University of Mississippi should demonstrate the attainment of the following student outcomes:

1. An ability to identify, formulate, and solve complex engineering problems by applying principles of engineering, science, and mathematics
2. An ability to apply engineering design to produce solutions that meet specified needs with consideration of public health, safety, and welfare, as well as global, cultural, social, environmental, and economic factors
3. An ability to communicate effectively with a range of audiences
4. An ability to recognize ethical and professional responsibilities in engineering situations and make informed judgements, which must consider the impact of engineering solutions in global, economic, environmental, and societal contexts
5. An ability to function effectively on a team whose members together provide leadership, create a collaborative and inclusive environment, establish goals, plan tasks, and meet objectives
6. An ability to develop and conduct appropriate experimentation, analyze and interpret data, and use engineering judgement to draw conclusions
7. An ability to acquire and apply new knowledge as needed, using appropriate learning strategies

General Education Requirements

- Writ 101 and 102
- 3 hours of fine arts
- 3 hours of humanities
- 3 hours of fine arts, languages (modern, Greek, or Latin), or humanities
- 3 hours of social science
- 3 additional hours of humanities, languages (modern, Greek, or Latin), social science, or a general education course as defined by the School of Engineering
- Econ 310
- Math 261, 262, 263, 264, and 353
- Chem 105, 106, 115, 116
- Phys 211, 212, 221, 222

Course Requirements

- Engr 100 or Engr 102,
- Csci 251
- Engr 309, 310, 312, 313, 314, 321, 323, 330, 360, 361, 400, and Engr 450
- Manf 460
- 12 hours of approved engineering electives
 - 3 hours of which must be above the 200 level and
 - 9 hours of which must be above the 300 level
- The pre-approved engineering electives are Engr 340, BME 200, BME 222, BME 301, BME 311, BME 313, BME 314, BME 333, BME 350, BME 370, BME 510, BME 523, BME 524, Ch E 307, Ch E 308, Ch E 413, Ch E 520, Ch E 521, Ch E 522, Ch E 523, Ch E 524, C E 207, C E 208, C E 210, C E 325, C E 471, C E 472, Csci 111, Csci 112, Csci 343, EI E 235, EI E 331, G E 305, G E 405, M E 324, M E 325, M E 401, M E 406, and M E 421. Engineering courses not included in this list must be pre-approved by the director of general engineering

Emphasis - Intelligent Security Studies **Description**

The Intelligence and Security Studies (ISS) emphasis is designed to prepare outstanding students at the University of Mississippi for entry-level positions in the U.S. Intelligence Community. Admission to the ISS emphasis is available to U.S. citizens after a rigorous selection process after completion of ISS 125. Additionally, the completion of an internship is required. Staff in the Center for Intelligence and Security Studies will work with the intelligence community to place students in internships that complement their academic experience. Internships may be in intelligence community agencies, other governmental

organizations, and the private sector. Students must complete each course in the emphasis with a grade of "B" or better and must maintain an overall GPA of 3.0.

Course Requirements

Emphasis Courses (18 hours)

- ISS 125 – Introduction to Intelligence Studies (3 hr)
- ISS 351 – Advanced Analytics I (3 hr)
- ISS 352 – Advanced Analytics II (3 hr)
- ISS 490 – Internship (3 hr)
- ISS 499 – Capstone (3 hr)
- One elective chosen from:
 - ISS 301 – Survey of U.S. National Security Policy (3 hr)
 - ISS 360 – Overview of Cybersecurity and Policy (3 hr)
 - ISS 420 – Special Topics (3 hr)
 - ISS 480 – National Security Issues for the 21st Century (3 hr)
