

## **SM 330: Sport Governance and Policy**

### **Health, Exercise Sci & Recreation Mgmt**

This course serves as a comprehensive study in examining how sport organizations address fundamental issues of governance and policy. The basics of managerial activities necessary for governance in sport organizations and the structure and function of sport bodies will be explored. Current policy issues and the ethical questions they raise will be investigated. This course provides an overview of the sport industry and will help students understand their place in this exciting profession.

SM 330 cross-listed with SRA 330; a student cannot receive credit for both.
