

SM 370: Sport Economics and Finance

[Health, Exercise Sci & Recreation Mgmt](#)

This course focuses on the economic and financial issues relevant to sport, recreation, tourism, and related industries. The goal of the class will be for students to understand both basic and complex concepts within economics and finance in a sport context, in order to be able to better grasp the importance of financial resources and economic decision making.

SM 370 cross-listed with SRA 370; a student cannot receive credit for both.
