

Mgmt 671: Guided Research in Management

Under the direction of a member of the research faculty in management, students learn the craft of publishing empirical research. Students must demonstrate an ability to generate a research question, develop and test hypotheses, and write up the results of an empirical study.

Prerequisites

• Mgmt 691: Research and Experimental Design (Minimum grade: C)

Instruction Type(s)

• Seminar: Seminar for Mgmt 671

Subject Areas

• Business/Commerce, General
