

# Edhe 505: Student Coaching and Mentoring in H. Ed. Higher Education

This course is designed to help students become effective coaches and mentors in a higher education setting. Students will be assigned one or more student mentees to assist with their college transitions and/or journeys. Through weekly sessions with their mentees, students will apply course content with practice-based opportunities for coaching and mentoring, thereby enhancing their relationship-building and communication skills along with their knowledge and understanding of key advising/mentoring strategies and role modeling traits.
