

Grad 690: Interdisciplinary Capstone Project Graduate School

This capstone project course is designed to equip students to apply cross-disciplinary knowledge. Students will integrate two or more disciplines, with guidance from a committee of faculty representing each of the selected disciplines, to complete a project in a nonresearch setting. The project must engage students to use their unique cross- disciplinary expertise to address a particular theme or goal directly related to real-world problems/needs. Z graded.
