

Liba 415: Med Tech: Immunohematology

College of Liberal Arts

This course includes a comprehensive study of the basic principles of immunology, human blood-group systems, blood-group genetics, and the theory and application of blood-banking techniques. This course is taught at the North Mississippi Medical Center in Tupelo as part of the 3+1 Medical Laboratory Science program. It will not count toward a different major or minor in the College of Liberal Arts.
