

Minor - Military Science

A minor in military science prepares students/cadets to be leaders of character in all aspects of life, whether it is serving as a leader of a military unit or leading a group in the corporate world. Students will learn essential problem-solving skills and be put in challenging situations that will develop their leadership abilities.

Course Requirements

A minor in military science consists of a minimum of 16 hours of MSL courses, including MSL 301, 302, 401, and 402.

The University of Mississippi is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award certificates and baccalaureate, master's, specialist and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, call 404-679-4500, or visit online at www.sacscoc.org for questions about the accreditation.
