Re-Admission of Former Students

All undergraduate students who have interrupted their enrollment in the University for a year or more must [submit an application](#) for re-admission to the Office of the Registrar. Those who have attended other institutions during the interruption must have final, official transcripts forwarded by the institutions to the Office of the Registrar. Re-admission will be to the program selected on their readmission application, provided they meet the school's or program's admissions requirements. Otherwise, the student will be readmitted to the school or department in which they were last enrolled during the most recent period of UM attendance.

The Academic Standing section of the Academic Regulations chapter provides re-admission requirements for students who have been academically suspended or dismissed from the University.
