

# CIS 211: Computer Science III

## Computer & Information Science

Continuation of Csci 112 with emphasis on advanced data structures, algorithm design analysis, advanced programming techniques, and user interfaces.

3 Credits

### Prerequisites

- Prerequisite: Csci 112 (minimum C-) or CIS 112 (minimum C-) or Csci 113 (minimum B-) or CIS 113 (minimum B-)

### Cross-listed Courses

- [Csci 211: Computer Science III](#)

### Course Fee(s)

#### Computer Science 5

- \$75.00

### Subject Areas

- [Computer Science](#)
