

Prct 568: Pediatric Pharmacotherapy Pharmacy Practice

In this elective course, students will experience learning activities to explore a variety of topics with a specific focus in pediatrics. The sessions will build upon topics introduced in previous modules. Most of the sessions will be case-based, and there will be opportunities for students to discuss clinical controversies related to pediatric topics.

2 Credits

Prerequisites

- [Phcy 604: Pediatrics and Geriatrics](#)
- Pre-requisite: Pharmacy PY3
- Prerequisite: Junior standing (60 hr).

Instruction Type(s)

- Lecture: Lecture for Prct 568
