

Coun 734: Doctoral Seminar

Leadership & Counselor Education

Coun 734 course objectives and related activities are designed to address the needs of doctoral-level counselor educators in our Council for the Accreditation of Counseling and Related Educational Programs (CACREP)-accredited program. Accordingly, the course will emphasize the application of knowledge gained from research and best practices in strategies for community engagement, leadership in consultation, methods and models for assessment design and program evaluation. Students will be exposed to content that is based on the latest research-informed best practices in both lecture, experiential, and community-based application formats designed to prepare them for culturally responsive practices for consultation, needs assessment, and program evaluation.
