Emphasis - Accelerated Law (3+3)

Description
Under this emphasis, the student’s fourth-year requirements are satisfied by successfully completing first-year law school classes at the University of Mississippi School of Law. The student must meet the School of Law’s requirements for admittance to this special program, which are established each year based on the previous year’s data on the grade-point averages and (Law School Admission Test) scores for students admitted to the School of Law. A student who chooses this emphasis but does not meet those requirements must switch to one of the other emphases. No minor is required for this emphasis, but students will be encouraged to develop a minor-like concentration so they do not get caught short in the event they have to switch to the other emphasis, which requires a minor.
