

SW 688: Acceptance and Commitment Therapy Social Work

This fully online course will serve as an introduction to mindfulness- based therapy and devote special attention to Acceptance and Commitment Therapy (ACT). The six core tenets of ACT will be taught, along with mindfulness-based approaches to healing that will be presented as new insights to the field of psychotherapy. Students taking this course will be required to engage in mindfulness-based practices and journaling as a way to enrich and deepen their learning experience.
