Emphasis - Global Supply Chain Mgmt.

Description
The aim of the emphasis in global supply chain management is to expose students to two primary sets of processes through which the firm creates value for its customers by moving goods and information through marketing channels: demand-focused processes consisting of marketing, sales, and customer relationship management activities, and supply-focused processes consisting of inbound logistics, operations, and outbound logistics.

Course Requirements

For the emphasis in global supply chain management, a student must complete 12 hours of coursework from the following: Mktg 361, Mktg 462, Mktg 475, Mktg 477, or Mktg 488.
