M.S. in Engineering Science

Description
The M.S. in engineering science is offered in a number of emphasis areas: aeroacoustics, chemical engineering, civil engineering, computational hydrosience, computer engineering, computer science, electrical engineering, electromagnetics, environmental engineering, geology, geological engineering, hydrology, mechanical engineering, material science and engineering, and telecommunications.

Minimum Total Credit Hours: 30

Course Requirements
A student must complete the requirements for an emphasis area. For most emphasis areas, the degree may be completed as a:

- Thesis option (30-hour program, to include 6 hours of thesis),
- Nonthesis option (30-hour program, to include a minimum of 3 hours of a design-oriented project course), or
- Coursework option (30-hour program, to include a final oral examination in front of a committee, but no written report)

Specializations

**School of Engineering**

- **Chemical Engineering**
  - Emphasis - Aeroacoustics

- **Mechanical Engineering**
  - Emphasis - Aeroacoustics

- **Chemical Engineering**
  - Emphasis - Chemical Engineering

- **Civil Engineering**
  - Emphasis - Civil Engineering

- **Electrical and Computer Engineering**
  - Emphasis - Computer Engineering

- **Computer & Information Science**
  - Emphasis - Computer Science

- **Electrical and Computer Engineering**
  - Emphasis - EE (Electromagnetics)
  - Emphasis - Electrical Engineering

- **Geology & Geological Engineering**
  - Emphasis - Environmental Engineering

- **Chemical Engineering**
  - Emphasis - Environmental Engineering

- **Civil Engineering**
  - Emphasis - Environmental Engineering

- **Geology & Geological Engineering**
  - Emphasis - Geological Engineering
  - Emphasis - Geology

- **Civil Engineering**
  - Emphasis - Hydrology & Comp Hydrosience

- **Geology & Geological Engineering**
  - Emphasis - Hydrology & Comp Hydrosience

- **Mechanical Engineering**
  - Emphasis - Hydrology & Comp Hydrosience

- **Civil Engineering**
  - Emphasis - Materials Science and Engr

- **Chemical Engineering**
  - Emphasis - Materials Science and Engr

The University of Mississippi is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award certificates and baccalaureate, master’s, specialist, and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, call 404-679-4500, or visit online at www.sacscoc.org for questions about the accreditation.
