CIS 211: Computer Science III

**Computer & Information Science**

Continuation of Csci 112 with emphasis on advanced data structures, algorithm design analysis, advanced programming techniques, and user interfaces.

3 Credits

**Prerequisites**
- Prerequisite: Csci 112 (minimum C-) or CIS 112 (minimum C-) or Csci 113 (minimum B-) or CIS 113 (minimum B-)

**Cross-listed Courses**
- Csci 211: Computer Science III

**Course Fee(s)**

Computer Science 5
- $75.00

**Subject Areas**
- Computer Science
