CIS 211: Computer Science III  
**Computer & Information Science**  
Continuation of Csci 112 with emphasis on advanced data structures, algorithm design analysis, advanced programming techniques, and user interfaces.  
3 Credits  

**Prerequisites**  
- Prerequisite: Csci 112 (minimum C-) or CIS 112 (minimum C-) or Csci 113 (minimum B-) or CIS 113 (minimum B-)  

**Cross-listed Courses**  
- Csci 211: Computer Science III  

**Course Fee(s)**  
Computer Science 5  
- $75.00  

**Subject Areas**  
- Computer Science
