Csci 311: Models of Computation
Computer & Information Science
Introduction to the theoretical foundations of computer science, including automata and formal languages.
3 Credits
Prerequisites
- Csci 112: Computer Science II (Minimum grade: C-)
- Pre-Requisite: 24 Earned Hours
One-way corequisites
- Math 301: Discrete Mathematics
Instruction Type(s)
- Lecture: Lecture for Csci 311
- Lecture: Hybrid Lecture for Csci 311
Subject Areas
- Computer Science
