Manf 250: Graphics/Solid Modeling
School of Engineering

Computer-based sketching and modeling, interpretation of drawings, and an introduction to the theory and utilization of modern CAD/CAM/CAE systems.

1 Credit

Prerequisites
• Students must be enrolled Center of Manufacturing Excellence (CME)

Instruction Type(s)
• Lecture: Lecture for Manf 250

Course Fee(s)
Mechanical Engineering
• $50.00

Subject Areas
• Mechanical Engineering
