Manf 451: Manf Design-Product Realization  
School of Engineering  

Students will ideate a product and take that product through conceptual design and initial marketing. The course will address aspects of finance, advertising, marketing, and business development. It will also introduce project management/operation in a manufacturing business and prototype development.  

1 Credit  

Prerequisites  
- Manf 351: Manufacturing Product/Process Design  
- Students must be enrolled Center of Manufacturing Excellence (CME)  
- Pre-Requisite: 24 Earned Hours  

One-way corequisites  
- Manf 450: Practical Problem Solving in Manf  

Instruction Type(s)  
- Lecture: Lecture for Manf 451  

Subject Areas  
- Mechanical Engineering
