

SW 689: Professional Readiness

Social Work

Professional Readiness prepares students for the next steps in their professional journey. The course will help students learn to navigate the licensure process in Mississippi and beyond and includes insight into obtaining quality supervision for LCSW licensure post-graduation. Students will learn about current issues related to licensure at the national and state levels and how to use that knowledge to their advantage. The course also includes materials that contain content that students will need to study (social work knowledge, skills, and abilities) and guides students through developing a personalized study plan for the licensure exam.
